

## **AF-USA Promo-code for Multiple Products**

French Property News: <a href="https://francemedia.shop/collections/french-property-news">https://francemedia.shop/collections/french-property-news</a>

Taste of France Magazine – issue 3: <a href="https://francemedia.shop/products/taste-of-france-issue-three">https://francemedia.shop/products/taste-of-france-issue-three</a>

Subscribers can visit their shop: <a href="https://francemedia.shop/">https://francemedia.shop/</a> where they just need to enter the code AF-USA-30 at the checkout for the magazine(s) the wish. We had an earlier dedicated landing page for France Today magazine <a href="https://francetoday.com/afusa-promo/">https://francetoday.com/afusa-promo/</a>. That still works but also just going to the francemedia.shop and entering the discount code works and may be simpler.

## FRANCE-AMÉRIQUE

AF-USA Promo-code for discounts on digital or digital+print subscriptions.

A promo code of ALLIANCE30 gives a 30% discount at checkout at <a href="https://france-amerique.com/subscribe/">https://france-amerique.com/subscribe/</a>. You can also share an ALLIANCE40 code, for a 40% discount. For AFs that distinguish between discounts for members and discounts for newsletter subscribers, you could differentiate. Or you could offer everyone the same discount.

## A Monthly, Bilingual Magazine

Published in a bilingual format in French and English, France-Amérique magazine appeals to anyone interested in French culture and French-American friendship.
